UNIONS AND

Certain Lines of Destinction Made in the West

CASE IN

East Not Bothered With the Proposition

Washington, June 3.-in the East the new militia law passed by congress is not skin emptions.

Best toliet soap ever made.

If you have chapped hands, TRY IT.

If you have chapped lips, TRY IT.

If you have facial blemishes, TEY IT.

If you wish to improve your complexion,

If you wish to improve your complexion, with the Federal army. But in the West it bids fair to make plain certain lines of distinction which the bulk of the people wood (S. D.) Pioneer-Press recently re. TRY IT. wood (S. B.) Ploneer-Press recently re-ceived here have contained a rather start-ling collection of advertisements. On one Sold everywhere, Frice 15 cents. page there appears among the paid an ements the following:

NOTICE OF MUSTER. Notice is hereby given that I shall be in Deadwood Tuesday evening, May, 56, 1965. for the purpose of mustering into the service of the South Dakota National Guard duty at 6 a. m. dully, in uniform. It is a company of infantry, said company to necessary once more to enjoin neatness consist of not less than forty men.

The muster will be held in the armory pasy, and persistent neglect of this rule at eight o'clocek p. m. of said day, when will be considered a sufficient cause for The muster will be held in the armory and where all those desiring to become dismissal.' There it is: Conductors and to subscribe their names and take the cath.

A. PATRIQUIN.

Col. Assistant Admin Admin and take the cath. Col. Assistant Adjutant-General South courtesy to patrona and the company

Dakota National Guard. On the opposite side of the same leaf, In an equally conspicuous position, appears

To members of Deadwood Federal Union: ties that a military organization is about ciple that a frontier State like South Dato be organized in this city;

bers of this Union are hereby forbidden York tackled a similar condition of things to join such organization, under penalty when the Schenectady union proposed to of being forthwith expelled from such throw the workman, Potter, out of his

livelihood because he was a citizen soldier. Be it further resolved, That no member In New York there is so large and powerof any military organization shall be ac- ful an element in the population that does cepted for membership into this Unio not have to lean on organized labor, that (Signed) DEADWOOD FEDERAL UN-

By JAS. F. JEFFRIES, President. C. C. CHARLSON, Secretary. Inquities of the law officers of the goverament here show that, although this dis- tion that all such things bring as so much crimination is without doubt defiberately nearer the time when the tug of war intended to interfere with and hamper must come and the decision be reached the execution of the new Federal militia whether organized labor or organized law act, there are no statutes under which it can be reached. "Public sentiment," said can commonwealth. The ultimate result, one officer, "must be left to deal with no sensible man can full to forecast; but that matter unaided, except by local on- it is hard to see how we can escape a actments. It seems to patriotic men that test on that question, any more than we such a spirit as the second advertise- escaped one on the question of slavery. athes is as treasonable as any- Unfortunately, as matters are now, w thing said or written since the foundation cannot make the test national, as regards of the government. Unless it is fercibly the militia issue at least. A soldier enterdealt with new there is no telling in what | in the United Einter army thereby makes form it will appear next.

The newer communities, of course, term of his collistment. He cannot be a have always had a rather more serious curpenter at home and a soldier in the problem to face in the labor field than field at the same time. As a militiaman, in our country. American his public relation does not interfere with development has for the last twenty-five his private calling; and on that account years followed industrial and mechanical the labor union which controls his lines, so that the question of procuring can tyrannize over him unless the local skilled labor has been the chief considera- lawmakers have courage enough to bake tion in making any great local advance. tyranny of that sort of criminal affence. The West, which begins where the East | One day-let us hope not very long hence leaves off, has naturally had its double -such legislation will be on the statutethere of this sort of trouble. While the book of every one of the United States. East, for example, was still using horse- Meanwhile, it would be an interesting cars everywhere in its large cities, no topic for the Department of Labor to Western town of any size and enterprize dig into: The attitude of labor organiza-

was without its cable lines, and while tions in all parts of the country towards Eastern builders were still using tatiquat- the military service.
